NATURAL SCRUB

Refresh and calm your face with Crown Aloe Vera body Scrub. Our scrub gently cleans and exfoliates your face to slough away dirt, excess oil, impurities and dull skin cells.

This is a must have body scrub for all skin types. It is made of great ingredients that will work together to brighten, clarify, and reveal a clearer and healthier skin.

Made with Papaya Extracts: Enzyme derived from the unripe fruit of the papaya tree. Very effective in skin renewal and skin lightening.

This light green Cucumber Scrub cleanses while providing invigorating jojoba bead exfoliation. Recommended for normal to oily skin, it opens the follicles and removes cellular debris. Cucumber is an anti-inflammatory ingredient with softening, astringent and refreshing actions and contains amino acids to strengthen the acid mantle.

This exfoliating creamy scrub gently eliminates dead cells and rough skin, refines skins texture and nourishes for a smooth, supple finish. The gentle, comfortable formula forms a film on the skin's surface to prevent excessive moisture loss and leaves the skin restored, polished and radiant to hydrate and buff dry, dull skin for a silky smooth and lubricating feel.
